

Dear Customers:

AEMIC CORPORATION
Sales Department**Notice for changing specification**

This is to inform you that the following changes of specification for Kelvin cable will be changed. The reason for this change is some parts have been discontinued from a manufacturer.

1. Subjected products:

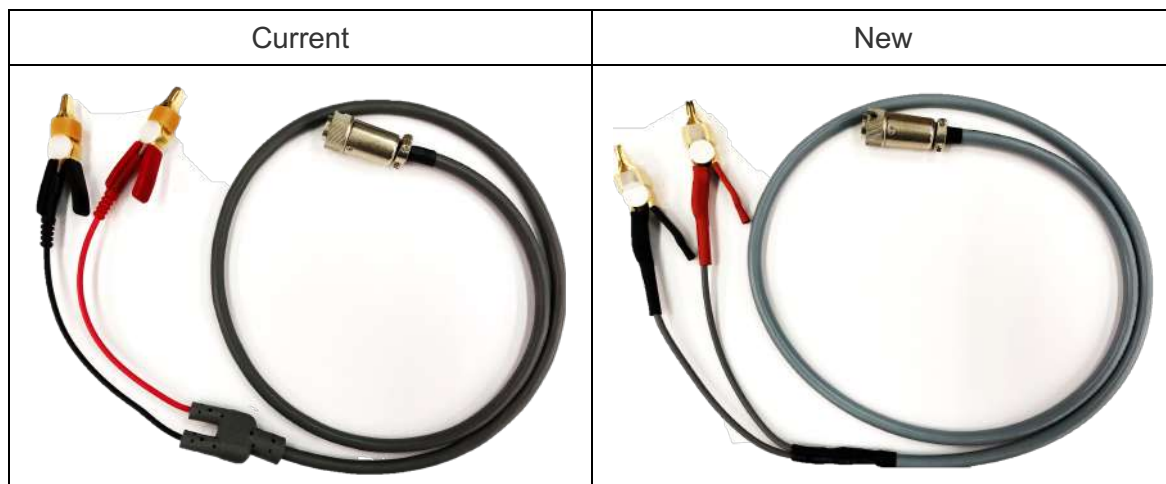

Product	Model
Kelvin cable	AEA-00 (3pin x 2)
	AEA-01 (5pin x 1)

2. Contents of the change:

<Model No.>

Current	New
AEA-00	AEA-00A
AEA-01	AEA-01A

<Appearance>

*There will be no change in the use, specification.

3. Timing of change:

Switch to a new model after using up present stock

4. Others:

As we informed you in July 2022, we will discontinue providing Kelvin cables as standard accessories as soon as current stocks run out.

If the problems occur due to this change, please let us know. Regarding current stock, please contact Sales department.
